An Appeal for the new sound system @ All Saints Church, Collingwood

Dear Friends,

As we have grown our congregation, in person and online, we have felt the strain on our audio/visual system. We have sought to enhance our speaker system and have included additional screens, new microphones and a sound and lighting board to capture our vibrant worship services so that everyone at home and in church can see and hear them!

Please consider a designated gift to our new sound system!

Reduce Your Environmental Footprint

What You Can Do - Buy [FSC](#) products to support responsibly sourced forest items About Sustainably managed forests protect wildlife habitat, Indigenous people's homelands and economic prosperity for forestry-dependent communities.

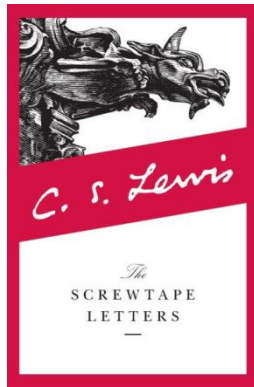

Ontario Nature is a long-time supporter of the Forest Stewardship Council (FSC) certification system as part of a solution to resolving competing demands on our forests. FSC is an international certification and labelling system dedicated to promoting environmentally appropriate, socially beneficial and economically prosperous management of the world's forests. FSC has developed a voluntary system of forest management certification and product labelling that enables people to identify responsibly sourced wood, paper and other forest products.

From Reverend Michael Peterson

Due to planned construction work in the church, we are planning to hold worship in the parish hall on Sunday April 7 and April 14. Note that this change will also apply to our Wednesday Eucharists. Morning and Evening Prayer will be conducted in the Library.

Our next Rector's Book Study will continue our focus on C.S. Lewis by looking at his book, *The Screwtape Letters*, A junior devil, who is not very good at his job, receives advice from a senior devil,

Screwtape, on how to tempt humans and lead them away from their faith. As he advises his young apprentice, "But do remember, the only thing that matters is the extent to which you separate the man from the Enemy (the devils' name for God). It does not matter how small the sins are provided that their cumulative effect is to edge the man away from the Light and out into the Nothing. Murder is no better than cards if cards can do the trick. Indeed the safest road to Hell is the gradual one—the gentle slope, soft underfoot, without sudden turnings, without milestones, without signposts."

The Screwtape Letters is a modern Christian classic and is full of insights on

what genuine and lifegiving faith looks like. You can purchase it from the bookseller of your choice, and we will meet to discuss it in late April, date to be announced.

Every few years, all volunteers at All Saints are required to attend Safe Church training on how we can interact respectfully and properly with others, particularly with vulnerable individuals.

If it's been some years since you've done this training, or if you are new in a volunteer role, you need to complete this training, which can be done in several ways. You can take the training online (see Nancy in the church office) or you can attend a special in-person afternoon that Fr. Michael has organized here at All Saints on Tuesday, April 16th, from 2-4pm. If you have questions about whether you need to take this training, please speak to your group leader, to Fr. Michael, or to one of the wardens.

Members of local churches are invited to attend an information session and discussion on Attainable Housing at Trinity United Church, Collingwood, on Tuesday April 9, 7~9:30 pm. Municipal leaders and developers will be attending. Refreshments offered. For more information, please call Trinity United Church.
