## An Appeal for the new sound system @ All Saints Church, Collingwood

Dear Friends,

As we have grown our congregation, in person and online, we have felt the strain on our audio/visual system. We have sought to enhance our speaker system and have included additional screens, new microphones and a sound and lighting board to capture our vibrant worship services so that everyone at home and in church can see and hear them!

Please consider a designated gift to our new sound system!

Your Wardens and Priests

## **From Reverend Michael Peterson**

**Due to planned construction work in the church**, we are planning to hold worship in the parish hall on Sunday April 7 and April 21. Note that this change will also apply to our Wednesday Eucharists. Morning and Evening Prayer will be conducted in the Library.

## **Our next Rector's Book Study**

will continue our focus on C.S. Lewis by looking at his book, *The Screwtape Letters*, A junior devil, who is not very good at his job, receives advice from a senior devil, Screwtape, on how to tempt humans and lead them away from their faith. As he advises his young apprentice, "But do remember, the only thing that matters is the extent to which you separate the man from the Enemy (the devils' name for God). It does not matter how small the sins are provided that their cumulative effect is to edge the man away from the Light and out into the Nothing. Murder is no better than cards if cards can do the trick. Indeed the safest road to Hell is the gradual one—the gentle slope, soft underfoot, without sudden turnings, without milestones, without signposts."

The Screwtape Letters is a modern Christian classic and is full of insights on what genuine and lifegiving faith looks like. You can purchase it from the bookseller of your choice. The Screwtape Letters book starts with a Zoom session on Wednesday, April 24, at 7:30pm (note that the 1:30 session advertised for 24 April is cancelled). Email Fr Michael at [madpadre@gmail.com](mailto:madpadre@gmail.com) for the Zoom Link. There will also be an in-person session on Thursday, May 9, at 1:30pm.

## **From the Green Team**

**Reduce Your Environmental Footprint  
What You Can Do** - Avoid [single use plastics](#) - The Problem of Single Use Plastics

Lake Ontario plastic waste © Danielle Scott CC BY 2.0

**Millions of Pounds of Plastic Debris Litters Lake Ontario** - In 2010, over 8000 tonnes of plastic waste ended up in Canadian waterways, a number that has only grown in recent years. In fact, over 22 million pounds of garbage enters the Great Lakes every year, with 3 million pounds entering Lake Ontario. This pollution has devastating effects on aquatic and terrestrial ecosystems. The plastic debris injures and kills wildlife, either from being tangled or through ingestion. Additionally, as the plastic decomposes, it [leaches toxic chemicals](#) that can harm both humans and animals alike.
