What You Can Do - Avoid [single use plastics](#) - The Problem of Single Use Plastics

Single-Use Plastic Consumption Contributes to Climate Change

Plastics contribute to the climate crisis due to their [fossil-fuel based supply chain](#). When making plastics, the extraction and transportation of fossil fuels emits an annual estimate of [12.5 to 13.5 million metric tons](#) of carbon dioxide—a greenhouse gas (GHG) that causes global warming.

Manufacturers of single-use plastics consume 6% of all global oil supply, which is estimated to increase to 20% by 2050. Also, the refining of plastics releases 184 to 213 million metric tons of carbon dioxide, which is roughly equivalent to what 45 million passenger vehicles emit each year. By 2050, single-use plastics are projected to account for [10% of worldwide](#) GHG emissions.

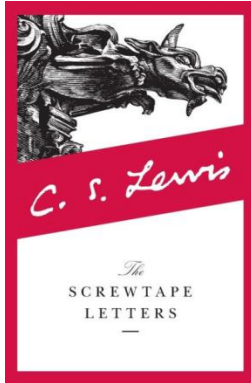

Forward Day by Day small and big books are available for the months of May, June and July 2024 by donation. Please contact the office if you would like one.

From Reverend Michael Peterson

Our next Rector's Book Study

will continue our focus on C.S. Lewis by looking at his book, *The Screwtape Letters*, A junior devil, who is not very good at his job, receives advice from a senior devil, Screwtape, on how to tempt humans and lead them away from their faith. As he advises his young apprentice, "But do remember, the only thing that matters is the extent to which you separate the man from the Enemy (the devils' name for God). It does not matter how small the sins are provided that their cumulative effect is to edge the man away from the Light and out into the Nothing. Murder is no better than cards if cards can do the trick. Indeed the safest road to Hell is the gradual one—the gentle slope, soft underfoot, without sudden turnings, without milestones, without signposts."

The *Screwtape Letters* is a modern Christian classic and is full of insights on what genuine and lifegiving faith looks like. You can purchase it from the bookseller of your choice. There will be an in-person session on Thursday, May 9, at 1:30pm.

Thursday, May 9th is the Feast of the Ascension of Our Lord. Our friends at Christ Church, Meaford, are celebrating this feast with a service of choral evensong from the Book of Common Prayer, beginning at 7:00pm. Fr. Michael and some members of the choir will be in attendance and carpooling is possible for those wishing a ride.

Sunday, May 19th is Pentecost Sunday, when we remember the gift of language of the Holy Spirit in Jerusalem. We are hoping that parishioners who can speak another language might be willing to participate in the service. Please let Fr. Michael know if you would like to help.
