Good Shepherd Anglican Church

SMP Training

Sexual Misconduct Policy training on Thursday, June 26th, from 7pm to 8:15pm at Good Shepherd, Stayner.

This training is for all those in medium and high-risk ministry roles, including clergy, employees, and volunteers. New ministry roles require a Sexual Misconduct Policy workshop within the first year, and all parish leadership is required to attend the workshop every three years. The training aims to help individuals understand their obligations and responsibilities in creating and maintaining a safe environment, particularly for children, seniors, and the vulnerable.

Reverend Amy Pauley co-ordinating.
