Green Initiatives - Prepare Your Home for Winter – Prevent Heat Loss –

Check for drafts around windows, doors, and electrical outlets and use weather stripping or caulking to seal them. For single-pane windows, a window insulation kit can be an effective and inexpensive solution.

Pill Bottles: A big thank you to everyone who collected their empty pill bottles for St. Luke's. Unfortunately, due to restrictions, they can no longer be passed along. If this changes, we will let everyone know.

Christmas Cheer: Advent is only a few weeks away, which means it is time to think about our friends at Pine Villa. Many have few family members to help make the holiday season special. Over the past years, we have provided gift bags for the residents, which help to bring smiles to everyone. If you wish to participate, please gather "stocking stuffers" such as socks, hats, mitts, scarves, tooth brushes and toothpaste. As there are dietary restrictions, please do not include edible items. We will distribute the bags in time for Christmas. At present, there are 36 residents, 25 men and 11 women. We will begin collecting items in mid-November. We will also need gift bags for each resident. Thank you for your generosity.
