giving to help us achieve our goal? With Giving Tuesday (December 2) fast approaching, we hope you will consider this project as part of your philanthropic giving. Your Wardens

**Would you consider being an Usher at the Sunday morning service?** - This is a most rewarding way of helping with the service, and a great way to meet and greet your friends, old and new, as they come into the church and as they go up to receive the Eucharist. Afterwards it requires only a few minutes to tidy the pews and lock the doors. Currently we are somewhat short-staffed so if you can help just once every 4-6 weeks it would help enormously.

Please contact the church office  
705-445-3841 [allsaintschurch@bmts.com](mailto:allsaintschurch@bmts.com)  
or talk to Penny Bourne Thank you!

## From Reverend Michael Peterson

**Father Michael, Joy, Canon Brodie and Deacon Beatrix** invite you to the Fourth Annual Rectory Tree Trimming Party on Saturday, December 13th, from 5-7pm. Come enjoy some Christmas cheer, friendship, and help us decorate! Help with treats and refreshments gratefully accepted.

---

**Canadian Church Calendar** are \$6 each, Contact the church office if you would like one.

**Christmas Cheer:** Advent is only a few weeks away, which means it is time to think about our friends at Pine Villa. Many have few family members to help make the holiday season special. Over the past years, we have provided gift bags for the residents, which help to bring smiles to everyone. If you wish to participate, please gather "stocking stuffers" such as socks, hats, mitts, scarves, tooth brushes and toothpaste. As there are dietary restrictions, please do not include edible items. We will distribute the bags in time for Christmas. At present, there are 36 residents, 25 men and 11 women. We will begin collecting items in mid-November. We will also need gift bags for each resident. Thank you for your generosity.

**Green Initiatives - Prepare Your Home for Winter – Heating and Insulation - Use curtains effectively.** Open curtains on sunny days to let in natural heat and close them at night to trap warmth.
