From Reverend Michael Peterson

Building security has become an issue lately. If your group or ministry is using the church or hall, please make sure that all the doors are shut and locked before the last person leaves. Also, please make sure that all the visitors or members of your group or ministry have exited the building before locking the doors. Please do not leave visitors or guests unattended in the building.

Fr Michael and the Wardens

Please note that the coat rack to the left of the double doors on Elgin Street, as you enter the church, is for donated items. Please use one of the other coat racks lest your coat be inadvertently donated!

Green Initiatives – Energy Tips for Spring and Summer – Here are some tips to help you keep cool and save electricity as the weather warms up.
