## Green Initiatives

### Energy Tips for Spring and Summer

Here are some tips to help you keep cool and save electricity as the weather warms up. **Lighting** – Choose LED light bulbs – they use 75 per cent less electricity than regular incandescent bulbs and last 25x longer!

## Fashion Show Update

Well, we did it! Thanks are due to so very many parishioners and staff. The surveys we collected are clear indicators of just how successful the event was to say nothing of all the requests to do another one in the fall! Several women took the time to provide suggestions for improvement and we will incorporate those if and when there is another one. In the meantime, all those who took part or attended will also be asked for their input so stay tuned!

### Closing Hymn - The Lord of The Dance

*Words Sidney Carter, American Shaker Melody*

**I danced in the morning when the world was begun,  
And I danced in the moon and the stars and the sun,  
And I came down from heaven and I danced on the earth,  
At Bethlehem I had my birth.**

### *Chorus:*

*Dance, then, wherever you may be, I am the Lord of the Dance, said he,  
And I'll lead you all, wherever you may be, and I'll lead you all in the Dance, said he*

**I danced for the scribe and the pharisee,  
But they would not dance and they wouldn't follow me.  
I danced for the fishermen, for James and John  
They came with me and the Dance went on. *Chorus***

**I danced on the Sabbath and I cured the lame;  
The holy people said it was a shame.  
They whipped and they stripped and they hung me on high,  
And they left me there on a cross to die. *Chorus***

**I danced on a Friday when the sky turned black  
It's hard to dance with the devil on your back.  
They buried my body and they thought I'd gone,  
But I am the Dance, and I still go on. *Chorus***

**They cut me down and I leapt up high;  
I am the life that'll never, never die;  
I'll live in you if you'll live in me -  
I am the Lord Of the Dance, said he. *Chorus***
