The Fashion Show made exactly \$1000, and many unsold items were passed on to the May Yard Sale as well. Many thanks to Elaine Cunningham, and her many volunteers, (especially those cheerful energetic models) for such a memorable event!

Looking for a folk or acoustic guitarist for occasional performances of one or two contemporary Christian songs at a time and to accompany a soloist. Should be able to pick up chords easily, be comfortable playing in front of up to 50 people and be willing to practice. Performance fees negotiable.

Green Initiatives - Energy Tips for Spring and Summer - Here are some tips to help you keep cool and save electricity as the weather warms up. Air Conditioners – If you are looking for a new appliance, including an air conditioner, look for the Energy Star label, which means the appliance is in the top of its class for energy efficiency!

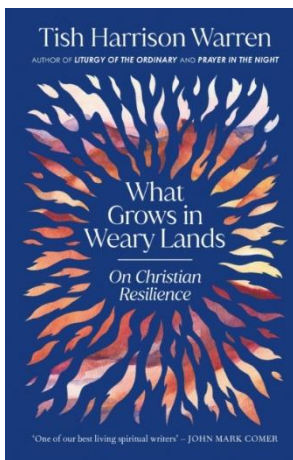

From Reverend Michael

We are observing **the National Indigenous Day of Prayer** this Sunday June 21st 2026

If you're looking for summer reading, Fr Michael recommends *What Grows In Weary Lands: On Christian Resilience*.

The author, the Rev. Tish Harrison Warren, is an Anglican priest and was a columnist for the New York Times. Her book offers "a fresh vision for navigating burnout and weariness through ancient Christian practices

- guiding us toward lives of resilience, renewal, and flourishing". In September this book will be our next choice for the Rector's Book Study.
