Green Initiatives

Garden and Yard Maintenance

Preparing your garden for winter protects it for the next season and can save you money on replacement plants.

Protect sensitive plants. Bring potted perennials and bulbs indoors or into a sheltered area like a garage. Wrap sensitive evergreens with burlap to protect them from wind burn.

This is the third week of our Joyful Giving program. There are many lessons in scripture about giving in joy. In Luke 6:38, Jesus teaches "Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you." We ask that you prayerfully consider giving in proportion to the gifts freely given to you by God. And we thank you for all you do and all you give to support the ministry of this church. Your stewardship committee.

From Reverend Michael

We're asking members of all our region's churches - All Saints Collingwood, Prince of Peace Wasaga, St Luke's Creemore, and Good Shepherd Stayner - to fill out a survey on the things that speak to us the most about our particular churches.

Once completed, all the surveys will go to a firm called DesignWerke, who we've chosen to help us come up with a symbol that, we hope, captures something about our four individual churches working together.

Please fill out a printed form that you'll find here in the church, or complete the one sent to you by email, no later than Nov 15th. You can drop the forms off at the church or email the online forms to Fr Michael at madpadre@gmail.com

---
