Green Initiatives

Garden and Yard Maintenance

Preparing your garden for winter protects it for the next season and can save you money on replacement plants.

Apply Mulch. Add a layer of mulch, such as shredded leaves or straw, to insulate the soil and protect plant roots from temperature changes.

From Reverend Michael

The Solar Suitcase Challenge - Bring light and life to mothers and newborns in a rural Mozambique clinic.

The Anglican Church of Canada's Alongside Hope agency has launched the Solar Suitcase project for Mozambique. Each suitcase costs $6500 Canadian.

Would you like to help All Saints and our regional church partners raise the money for one of these suitcases by Pentecost Wouldn't it be wonderful if All Saints could raise the money for one of these suitcases by next Pentecost (16 May 2027)? You can donate online at https://alongsidehope.org/solar-suitcase/ If you do donate, please let David Penhale or Fr. Michael know so we can track our churches' response.

Why Do We Do That in Church?

Anglican worship can be mysterious. On Sunday, November 1st, All Saints Day, as part of our Joyful Gratitude campaign, we will have an instructed eucharist service. In lieu of a sermon, Fr Michael will walk through the service and explain the meaning of its various parts as it happens.

If you have a question about our worship that you would like Michael to try and answer, write it out and leave it on the collection plate before November 1st. Your questions can be anonymous.

Mark Your Calendar: Service of Choral Evensong here at All Saints on Sunday, 1st November, at 4pm.
