Garden and Yard Maintenance

Preparing your garden for winter protects it for the next season and can save you money on replacement plants.

Clean and store tools. Clean and sharpen garden tools before storing them in a dry sheltered location for the winter.

This is the second week of our Joyful Giving program, a guide to sharing, in a planned, proportionate way, the wealth with which God has blessed us. It is a sign of our gratitude to God. It is an expression of our faith, of what we say we believe. We direct a portion of our giving through our parish because it is the body which most clearly bears witness to the meaning and values we find at the centre of our lives. Thank you for all you give and all you do!

New Par Forms with envelopes are available at the back of the church, from the ushers or from the office. Once filled out you may place it on the collection plate, drop it off at the office or drop it off in the locked mailbox at the parking lot ramp door.

Flowers on the Altar or a Donation to a Ministry of your Choice This can be done in memory of or thanksgiving for a loved one, as well as celebratory occasions such as birthdays, graduations or birth of a child etc… Choose a date the confirmation of wording must be given a week before the upcoming Sunday. Your wording will be in the bulletin and displayed on the screen.

From Reverend Michael

Mark Your Calendar: Service of Choral Evensong here at All Saints on Sunday, 1st November, at 4pm.

Why Do We Do That in Church?
Anglican worship can be mysterious. On Sunday, November 1st, All Saints Day, as part of our Joyful Gratitude campaign, we will have an instructed eucharist service. In lieu of a sermon, Fr Michael will walk through the service and explain the meaning of its various parts as it happens.

If you have a question about our worship that you would like Michael to try and answer, write it out and leave it on the collection plate before November 1st. Your questions can be anonymous.
