Green Initiatives

Garden and Yard Maintenance

Preparing your garden for winter protects it for the next season and can save you money on replacement plants.

Clear and compost. Clean out dead or diseased plants from your garden beds. Add healthy, spent plants to a compost pile.

From Reverend Michael

The Solar Suitcase Challenge

Bring light and life to mothers and newborns in a rural Mozambique clinic. Please see this week's All Saints Alive for details.

Why Do We Do That in Church?

Anglican worship can be mysterious. On Sunday, November 1st, All Saints Day, as part of our Joyful Gratitude campaign, we will have an instructed eucharist service. In lieu of a sermon, Fr Michael will walk through the service and explain the meaning of its various parts as it happens.

If you have a question about our worship that you would like Michael to try and answer, write it out and leave it on the collection plate before November 1st. Your questions can be anonymous.

Mark Your Calendar: Service of Choral Evensong here at All Saints on Sunday, 1st November, at 4pm.
